

Woods 68th Annual Family Reunion

Greetings Dearest Family,

We hope and pray everyone is doing well, staying healthy and safe. This year will be the 68th year in the history of our Family Reunions.

We are all still keenly aware of the situation going on with the Coronavirus which impacted the 66th and 67th reunion. We are not going to let the pandemic interrupt our tradition again this year.

As we continue to put the health needs of our family first, we will once again host another online **"Virtual Family Reunion"** via Zoom.

Last year's Zoom family reunion was a huge success so mark your calendars and plan to attend the virtual family reunion via Zoom because we are planning an amazing virtual Family Reunion day on **Saturday, August 13th** so, SAVE the DATE because we want to see **YOU Virtually on Zoom!***Wear your favorite Family Reunion T-Shirt*****
